Introduction

Situated on the **boardwalk at Hillarys Boat Harbour**, California Pizza Kitchen offers an ideal restaurant destination for any special occasion. We work closely with you to **design a personalised event** for you and your guests to **enjoy Perth's beautiful coastline and the freshest, seasonal ingredients** Western Australia has to offer.

ABOUT US

WE USE FRESH AND LOCAL PRODUCE in unexpected ways, preparing our food fresh in our kitchen daily. We hand-toss our dough and cook our pizzas in an open hearth oven, with our exhibition kitchen providing entertainment and involvement for our guests.

Flavours from around the world inspire our imagination. From our innovative pizzas to our one-of-a kind main plates, pastas, salads and desserts, we strive to be original in everything we do.

Our drinks include hand-crafted sangrias and premium signature cocktails incorporating fresh fruits and herbs.

We carefully curate premium wines, designed for

exploring a range of international flavours. We proudly serve craft beer on draught and in bottles, along with local beer selections. We also offer unique, non-alcoholic beverages made fresh to order.

We've created a dining experience that reflects our honest dedication to the smallest details and we aim to exceed the existing quality in Perth restaurants.

Every guest and every ingredient matters. We offer set menus, canapes and drinks packages and we can cater for smaller private dining or larger cocktail events. Get in touch to discuss your function and how we can accommodate you and your guests.

The CPK Story

Since the founders Rick Rosenfield and Larry Flax opened the first restaurant in California in 1985 CPK has been driven by a passion for food with fresh, high-quality ingredients being used to create innovative hearth-baked pizzas in an open kitchen.

Almost immediately after the first location opened, CPK expanded from California and is now approaching 300 restaurants in 16 countries worldwide, with the Hillarys Boat Harbour being chosen as the first Australian location.

With so many similarities between the Californian and Australian coastline and lifestyle this concept is a match made in heaven. Much like the picturesque Southern Californian coastline, our first restaurant celebrates WA's iconic coastline with views of the water from the boardwalk at Hillarys.
